

Architectural floor plan of a building, labeled "М 1:200". The plan shows a rectangular layout with a grid system. The grid is labeled with numbers 1 through 10 horizontally and letters A, B, B, Γ vertically. Dimensions are provided for various sections: horizontal segments of 6000, 6000, 6000, 6000, 12000, 12000, 12000, 12000, and 12000; vertical segments of 6000, 24000, 54000, and 24000. A total horizontal dimension of 84000 is indicated. The plan includes structural elements like columns (red squares), beams (solid lines), and walls (dashed lines). Two rooms are labeled "Q=5 τ". Section lines 1-1 and 2-2 are shown.
